One-Time Special “Buy Up” Option

The EHA has announced a one-time special “buy up” option for the 2017/18 school year allowing a lowering of the plan deductible. This provides an exception to the current restriction on lowering deductibles. The purpose of offering the new $750 PPO and $1,000 PPO was to allow local schools and their employees more options to lower their rate increase by choosing to move up the deductible amount.

Recently, the EHA Executive Committee has approved this option, which applies to all groups regardless of the current plan deductible option and allows for the lowering of the deductible by one level for the 2017/18 year. After 2017/18 the plan will reinstate the restriction on lowering deductibles in order to avoid any adverse selection.
Pharmacy Preferred Network Change

As of September 1, 2017, CVS and Target pharmacies will no longer be Preferred providers.

Any prescriptions filled at CVS or Target pharmacies after September 1, 2017, will be processed with Non-Preferred benefits applied.

It will be the member’s responsibility to complete and submit prescription claim forms if a Non-Preferred pharmacy is utilized.
Dental Coverage Definitions

• Coverage A  Preventive and Diagnostic
• Coverage B  Maintenance, Simple Restorative, Oral Surgery, Periodontics, Endodontics
• Coverage C  Complex Restorative Dentistry
• Coverage D  Orthodontic Dentistry

Food For Thought

Please keep in mind as we discuss the next tab of the Subgroup application, you will be asked several questions on whether your group is considered a large or small group for Medical Loss Ratio (MLR) purposes. Please answer these questions as they may pertain to your group. However please keep in mind that EHA as a WHOLE is considered to be one large employer group. So any mandate set forth by the Affordable Care Act (ACA) will be implemented for all EHA sub groups.

*Note requirements for the ACA may have changed or may change in the future and this presentation was created using current ACA regulations.
A. EMPLOYEE ELIGIBILITY: To be eligible for coverage, an employee must work a minimum of 0.400 FTE (Full Time Equivalency) for professional employees and 17.500 hours per week for classifieds (must be at least 1/2 FTE for professional employees, teachers, and administrators and 17.5 hours for classified employees) on a regular school year basis, as determined by the school group.

Eligibility Waiting Period: 0 days (not to exceed 60 days). Please also complete applicable section below.

If a Waiting Period applies, employee’s coverage is effective the first of the month following completion of the waiting period. If the waiting period ends on the first of a month, coverage will be effective (please check):

- that date (the 1st)
- the first of the month following the completion of the waiting period

If ‘0’ Waiting Period days above, employee’s coverage will be effective (please check):

- the first of the month following the 1st day of work.
- the first of the month following the 1st day of work, unless that day is the first of the month, then coverage is effective on the first of that month.

Dependents enrolling for coverage with the employee will be effective on the same date as the employee.

If an otherwise eligible employee is not actively at work on the effective date for other than personal health reasons, coverage for that employee will go into effect on the group’s next due date following his/her return to active employment, subject to receipt of an enrollment form within 31 days of the return to work date, as described in the Underwriting Guidelines.

Other eligibility provisions: 
B. EMPLOYEE DATA: The following is from and agrees with your current payroll and personnel records. Include all classified employees only if your school agrees to provide coverage. If coverage will not be provided, write "0".

- Eligible employees not enrolling due to other EHA coverage: 6
- Eligible employees not enrolling due to other group coverage, i.e., spouse, parents, Medicare, Medicaid, TriCare: 11

- Eligible employees adjusted for spouse’s EHA or other employer coverage (line c minus e minus f): 143
- Total number of eligible employees enrolled in BCBSNE (line d): 126
- Gross Percentage of participation - 50% (line k + i): 82
- Net Percentage of participation - 75% (line k + j): 68
- Does the school district offer cash or other benefits in lieu of health insurance coverage? Yes ☑️ No

C. Do you meet the definition of “Small Employer” as defined below?

For purposes of this definition, a Small Employer shall mean any school district that, on at least 50% of its working days during the preceding calendar quarter, employed at least 2 and no more than 50 eligible employees, the majority of whom were employed within Nebraska. Eligible employee for purposes of this definition shall mean an employee who works on a full time basis and has a normal work week of 30 or more hours.

D. Group Data for Calculation of Medical Loss Ratio (MLR)

As part of BCBSNE’s compliance with the Patient Protection and Affordable Care Act, BCBSNE must collect information on group size in order to calculate and report medical loss ratios. On average, how many employees did you employ during the calendar year prior to the Effective Date written above? This total should include full-time, part-time and seasonal employees, but exclude independent contractors.

• If you need to terminate a Subgroup, please contact your EHA BCBSNE Team.

How to Complete Current & Open Enrollment Changes

Once the system is Unlocked for Open Enrollment, you will see two different tabs.

- The current tab is for the 9-1-2016 through 8-31-2017 time period.
- The Open Enrollment tab is for the 9-1-2017 through 8-31-2018 time period.

Be sure you select the correct tab based on the EFFECTIVE DATE of the changes you are completing.

If you have any questions, please contact the Electronic Enrollment Team at 1-800-843-2373 or eEnrollSupportTeam@nebraskablue.com
How to Complete Current & Open Enrollment Changes (continued)

• If you are adding a new enrollee in the current tab effective 8-1-2017 and you select medical and dental, these benefits will transfer to the Open Enrollment tab if you didn’t make any changes to your group’s plans from one plan year to the other. If you did make changes, then you need to be sure that you select the coverage in the Open Enrollment tab as well.

• It is a good rule of thumb to check the coverage set up in the Open Enrollment tab anytime you are making a change under the current tab. This will ensure that you have benefit set up continuously.

• If you are adding an Employee during Open Enrollment who was eligible for coverage in the past, but declined, you will need to set up the employee, decline coverage in the current tab and then elect benefits under the Open Enrollment tab.

If you have any questions, please contact the Electronic Enrollment Team at 1-800-843-2373 or eEnrollSupportTeam@nebraskablue.com

And more

- Therapists are available by appointment from 7 a.m. to 11 p.m. local time, seven days/week. Cost varies depending on the level of care.
Accessing Behavioral Health

- Services can be accessed via computer, tablet or phone.
- BCBSNE members use the same Amwell account for behavioral health that they use for urgent care. (If members do not have an Amwell account, they may register by visiting nebraskablue.com/telehealth, downloading the Amwell app or calling Amwell at 844-733-3627.)
- The first time members use telehealth for urgent care or behavioral health, when prompted, they should enter the service key **BCBSNE** to get the Blue Cross and Blue Shield of Nebraska member rate.
- Amwell’s licensed therapists are available by appointment seven days per week from 7 a.m. to 11 p.m. local time.
- Current therapy/counseling services are available within one day of request.
- Psychiatric services are available within 14 days of request.
- Sessions are delivered in home/private environment.
How Does a Behavioral Health Session Work?

1. Patients can self-schedule appointments.
2. After scheduling an appointment, Amwell sends the member a confirmation email. When it’s time for the appointment, the member clicks on the link and is connected to Amwell.
3. Where allowed, psychiatrists may e-prescribe medication for fulfillment at the member’s local pharmacy.*
4. Follow-up appointments may be scheduled with the same therapist to ensure continuity and the ability to repeat a positive experience.
5. A complete record of each encounter is maintained by Amwell and is accessible by the member. The member may download the record as a pdf and provide it to his/her primary care provider.
6. The member pays at the time of service with a credit, debit or HSA/FSA card.
What is the Member’s Cost for Behavioral Health?

- The billable amounts for a behavioral health visit are:
  - Psychologist
    - Master’s level  45-minute visit  $79
    - Doctoral level  45-minute visit  $95
  - Psychiatrist
    - Costs vary depending on the service provided. The initial evaluation is a maximum of $200.

- Cost shares for the amounts above are the same as the current telehealth urgent care cost shares. For example, an EHA PPO plan has a $10 telehealth urgent care copay, so behavioral health services will be subject to the same cost share. For deductible/coinsurance plans, members will pay the costs shown above until their deductible is met.

- When members view the list of available therapists, the list will say if a therapist is a psychologist or psychiatrist. When members click on the therapist’s profile to see additional information, the profile shows the cost per visit.
Advantages of Telehealth

- **Dependable:** 24/7/365 access to urgent care services; 365 days per year access to therapists
- **Affordable:** Offers a lower cost health care solution for common conditions
- **Expanded Access:** Provides an alternative to unnecessary, expensive emergency and urgent care facility services – and behavioral health services are available within one to 14 days of request
- **Satisfaction:** Meets employee demands for convenience in receiving care, saving two to three hours on average away from work
