Enhance Your Protection with Credit Monitoring

With AllClear Credit Monitoring service, you can have additional layers of protection that specifically monitor new credit accounts opened in your name. If this happens, AllClear ID sends alerts to you so you stay informed of your credit activity.

You and your eligible family members may enroll in AllClear Credit Monitoring service—at no cost to you. (While AllClear Identity Repair is automatic protection, you must enroll in AllClear Credit Monitoring because you will need to provide AllClear ID with personal information such as your Social Security number.)
