

COBRA administration

Our team is here to help

Omnify is excited to partner with your school as the new COBRA administrator. We pride ourselves on our industry-leading technology and superior customer service, and we're looking forward to being a helpful resource for you. Here is what you can expect from us throughout our relationship:

- Omnify attendance at conferences
- Business manager meeting trainings
- Monthly live portal training with Q&A sessions during implementation
- COBRA education sessions

Stop by and say hi at any of the upcoming conferences, and business manager meetings — we look forward to connecting with you!

Superior customer service

We do customer service the way it should be done: real people, with real answers. Should you or a COBRA participant have any questions, we're here to help! Our COBRA team is available from 8 a.m. to 5 p.m. CST, Monday through Friday, with the exception of Federal bank holidays.

People to know

We'd like to introduce two friendly faces you will get to know. Jennifer Ainsworth has worked with many schools for employee benefits like FSA and HSA for years. She is the dedicated relationship manager for Nebraska schools and the EHA. Katie Davis is our COBRA manager — she and our COBRA team will be your direct point of contact for everything COBRA related.
